Christopher Green set the record for the most swim across Morecambe Bay north of Blackpool, England at 51 times - which stood in 2022 (and beyond). He swam around islands: 17 times Manhattan Island; Key West; Robben Island; and 41.8 km Walney Island (England).

Christopher completed: Lake Zurich; Capri to Naples; and 56.3 km Sombrero Key to Alligator Reef in Florida. He swam all 16 lakes in the Lake District in England in 2000 that added to his total of 23 times across Lake Windermere.

He swam across the Strait of Gibraltar in a shark cage.

Christopher served as an administrator in the sport for many years.
